

2020 Winter Showcase

How to Use This Document

- Scroll to the weekday your student normally attends class
- Locate their class name
- Check the chart for arrival time and warm-up location, making note of any adjustments from the students' familiar routine
 - *Non-performing classes are listed above the showcase charts; please make note of any adjustments to class start times and class location*
 - *Online classes have been abbreviated for the day of filming, so that teachers are available for their other classes' performances; please make note of adjusted times*
 - *Livestream students should log on at the time that warm-up begins for their class, using their usual class link; once their class moves upstairs for recording, students will be asked to hang-up and use the Winter Showcase Recorded Call link to perform their dance*

Arrival & Warm Up

- Students will be checked in as usual, with temperature checks and screening questions at the door
- Students will run through a quick warm-up with their instructors before working on their dance, so please be sure students are dropped off no later than the arrival time listed

Showcase Filming/Watching

- Each class will perform their dance or movement demonstration for the camera, and a small student audience
- NO PARENTS WILL BE PERMITTED IN THE STUDIO DURING FILMING
- Students should be wearing a solid colored mask, ideally black or skin-tone
- Students' clothing should be appropriate to Kinetics' [dress code](#), and not display any words, logos, or images

Exiting

- Students will exit through the ground-level center door, as usual, once they have filmed and watched their scheduled showcase; please be prepared to meet students at the door for pickup
- Students who are staying to perform in other showcases that evening may wait in the upstairs Studio E lobby between showcases
